RE: FPPC No. 06/1137; John Sorgenfrei

Dear Mr. Sorgenfrei:

The Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act")¹ found in Government Code Section 81000, and following. As you may be aware, the Commission received complaints alleging violations of the conflict of interest provisions of the Act regarding governmental decisions you made in your capacity as a Planning Commissioner in the City of Pismo Beach.

Based on our review and investigation of this matter, we have determined that you did not have an economic interest in the individuals or the business entity affiliated with clients of your advertising business, TJA Advertising, as defined under the Act. As such, there is no basis for a conflict of interest violation under Section 87100 of the Act. Therefore, our file in this matter has been closed.

If you have questions regarding this matter, please feel free to contact me at (916) 322-5660.

Sincerely,

REDACTED
